

**ST. TIMOTHY CHRISTIAN ACADEMY** opened in August of 2006. It was the realization of a 20-year-long dream of our founder, Dr. Paul Warren. Dr. Warren passed away just two months later.

Dr. Warren had a dream of a school where every child can learn regardless of his/her differences; where children are accepted for the divine fingerprint they are; where moms and dads receive support and encouragement; where the infinite wisdom and manifold mercies of God are made manifest.

Learning differences can include ADD, ADHD, dyslexia, mood disorders, anxiety and spectrum disorders. These differences affect each child differently and are often detected when a student is struggling in a traditional academic setting.

STCA is unique in its approach of working with children with learning differences in a redemptive Christian environment while providing hope and support for their families. Experienced teaching professionals provide a multi-sensory learning environment. Bible, art, computer, social skills, and adaptive P.E. are also an important part of the educational program. A weekly chapel service is offered as well.

Recognizing the unique learning style of each student, STCA is committed to bringing academic success to students who may have faced failures in traditional classroom settings. The staff at STCA strives to stimulate the learning style of each student through the adaptation of individualized curriculum, specialized assessments, pacing, and grading that is tailored to each child. ***We celebrate their differences!***

## Stonebridge Ranch Country Club

### A Pete Dye Signature Course

Established in 1988, The Stonebridge Ranch Country Club features this area's only 18-hole Pete Dye Signature Golf Course.

Consistently ranked as one of the top courses in Texas, **The Dye Course** features abundant water hazards, bunkers and a multitude of trees. The winding fairways and deceptively sloping greens challenge its players. The Dye Course has hosted several PGA and USGA events and is home to the 2004 British Open Champion, Todd Hamilton.
