Our History

Founded in 2006 by Dr. Paul Warren

St. Timothy Christian Academy was created as a school...

- where children can learn regardless of their differences.
- where each child is accepted as a divine creation of God.
- where families receive support and encouragement.
- where the infinite wisdom and manifold mercies of God are made manifest.

Our Mission

St. Timothy Christian Academy exists to support families and educate students with learning differences in grades K-12 in a redemptive Christian environment, helping them realize their full potential as a child of God.
